

VALUE Grease Lubricator Carts for 120 lb. and 400 lb. drums

Heavy duty Cart 17009 300

Heavy duty steel construction, with high quality wheels. Two lockable 6" swivel casters and two 8" front wheels. Holder to store control valve and drip container. Cart comes with a platform to mount a hose reel for up to 50 feet of hose. Front end of the drum platform is bent for easy loading of drums. This cart is designed to hold a 55 gallon / 400 lb. drum or two 16 gallon / 120 lb. drums. Sets for two drums come with a chain to hold the drums on the platform.

Value Cart 17007

Steel construction with three wheels. One swivel caster and two front wheels. Platform is designed to hold drums up to 55 gallon / 400 lbs. and can mount a 25 ft. hose reel. Or we can mount a hose storage bracket to store the discharge hose.
